

# SANTA'S CAUSE

**Our 25th Year!**

*"Yes Virginia, there is a Santa Claus!"*

*"Dear Santa, I hope you are not sick again this year."*

Dear Santa's Helper,

The letter above, received several years ago, has proven to continually touch our hearts. By doing so, it serves as a reminder, year after year, delivery after delivery, what Santa's Cause is all about.

The thought of a parent so desperate that she must tell a child that Santa is ill, might motivate us almost as much as the thought of that child's wishful face peering through a dirty window on Christmas morning in a desperate hope that maybe, just maybe, Santa is only running late.

In this, our 25th year, we once again pray that you will help us see that one more child can go to bed with the anticipation, that little thrill she can feel in her tummy, that will help her forever remember Jesus' birthday for the magic it brings and what the caring generosity of strangers can mean to others.

If you can help by sponsoring letters through your family, club, work, or church we plan to have letters available after December 12th. Please remember, we are a last minute organization, and receive the bulk of our letters after other organizations have completed their season.

*Santa's Cause is a 501(c)(3) non-profit, all volunteer organization providing anonymous last minute response to children's letters to Santa that would otherwise go unanswered. (We do not want to be a supplemental Christmas service.) We receive most of our requests after other organizations offering help at Christmas have completed their season. We try to have all letters sponsored and ready for Santa to deliver by the 21st. However, we have received requests for help as late as Christmas Eve.*
